SOUTHWESTERN UNIVERSITY DEGREE PLAN **Student's Name** _____

Each student is responsible for meeting all *Catalog* requirements for graduation. The degree plan assists in this task. The plan is routinely checked by your academic advisor and the Associate Registrar to assure as much accuracy as possible. Students should seek the advice of their academic advisor and direct questions of interpretation to the Registrar.

2010-2011 BACHELOR OF SCIENCE Specialization: _____

	-						
Fine Arts(2 courses/6 credits)		XX	XX				
Lecture	-						
Perf/Prod	-						
				BS Requirements:			
				BIO50-102, 112			
				BIO50-122, 162			
				CHE51-154, 164 OR			
				CHE51-174,184			
				MAT52-154 and one from:			
				52-254,114,CSC54-184			
				PHY53-154 and 53-164			

Date Degree Expected _____ Minimum Total Credits: 127

A "C" average (2.0 or better) on all work attempted (overall and within the major or minor) is required for graduation. No grade below "C-" may be counted toward the required hours in the major, minor, or area of concentration. A minimum of 64 credits must be upper- level. No more than 56 credits may be credited in one subject area. At least 64 credits must be completed at Southwestern, including the last 32 credits.

A major requires at least 30 credits, 60 percent upper-level. Sixty percent of the major must be completed at SU, and at least half of the SU hours must be upper-level). A minor (optional) requires at least 18 credits, 12 upper-level (at least 12 credits at SU with 8 of those upper-level).

An independent major (area of concentration), approved by the departments and divisions involved, consists of at least 56 credits (28 from one department, 20 upper-level; 28 additional credits, 20 upper-level). Of the 56 credits, 34 must be completed at SU (17 upper- level).
