Study Abroad Financial Aid Application Summer 2012

IMPORTANT INFORMATION – Please read carefully before completing this application. This application is for use by students participating in study abroad programs for the summer. Loan programs are the primary source of financial aid for summer coursework. The source of loan funds is dependent on the types and amounts of loans borrowed during the academic year. Your eligibility for loan funds will be determined by the program cost of attendance. The program cost of attendance is documented on the Consortium Agreement. The Consortium Agreement is available in the Financial Aid Office and the Office of Intercultural Learning. The SU Financial Aid Office must receive a completed Consortium Agreement before aid eligibility can be determined and/or before funds can be disbursed. There is a limited amount of scholarship funding available for summer study abroad participants. Priority will be given to students demonstrating need as determined by the financial aid application process.

You will receive an award letter detailing your eligibility. It is your responsibility to make sure you complete the necessary steps in order to apply for the loan funds. **The priority deadline to submit this application is April 1, 2012.** Late applications will be processed, but there is no guarantee that your loan funds will arrive prior to the payment deadline established by the Business Office and/or your program. It is possible that you will be required to make payment arrangements in advance in order to meet the payment due date. Questions relating to payments may be directed to the Business Office at (512) 863-1927.

If your program requires notification of your pending financial aid, please submit the form provided by your program to the SU Financial Aid Office. Please submit your request **at least 72 hours (3 days)** in advance of your program's established deadline.

If you will be taking additional summer coursework through Southwestern University, and wish to be considered for financial aid, please complete the 2012 Summer School Financial Aid Application.

It is your responsibility to notify the Financial Aid Office and the Office of Intercultural Learning if your study abroad enrollment plans change.
