Summer School Financial Aid Application Summer 2013

IMPORTANT INFORMATION – Please read carefully before completing this application. This application is for use by students participating in Southwestern University summer programs. If you wish to apply for financial aid for summer study abroad programs, please complete the Summer Study Abroad Financial Aid Application.

Loan programs are the primary source of financial aid for summer coursework. Your eligibility for loan funds will be determined by the number of hours of enrollment you indicate on this form as well as allowances for living expenses. If your actual enrollment changes, your loan eligibility will be recalculated. **It is your responsibility to notify the Financial Aid Office if your enrollment plans change.**

You will receive an award letter detailing your eligibility. It is your responsibility to make sure you complete the necessary steps in order to apply for the loan funds. If you have questions about the loan options, please contact the Office of Student Financial Assistance. **The priority deadline to submit this application is April 15.** Late applications will be processed, but there is no guarantee that your loan funds will arrive prior to the payment deadline established by the Business Office. It is possible that you will be required to make payment arrangements in advance in order to meet the payment due date. Questions relating to payments may be directed to the Business Office at (512) 863-1927.
