- **Time windows will be assigned to students by 3/10, based on completed hours at that time. They may be viewed via Web Advisor.**
- **Advising and materials pickup start 3/22 – immediately after Spring Break.**
- **At least three full weekdays for each group, with start times staggered for the first day. Later days overlap with next group.**
- **Registration and schedule modifications (adds/drops) are permitted until the end of window for each student, but then not allowed again until the April 16 open period. For example, seniors may register Mar 29 – Apr 4, and then again starting Apr 16.**
- **Each student may register only in the assigned window.**
- **Even in the student's window, registration will be allowed only if the advising flag has been set and all registration holds have been removed – students may check via their Student Registration Eligibility option in Web Advisor.**
- **Web Advisor will be available seven days of the week, 7 AM – 1:30 AM.**
- **Students experiencing difficulty may seek help from the Office of the Registrar or the Center for Academic Success.**
- **Waitlists will be worked until May 18, then deactivated.**

**\*\* The sophomore time slot is being extended in case course schedule adjustments are made.**
