

**Texas Common Course Numbers (used by Texas Junior and Community Colleges)
Pre-Approved to Transfer as SU Courses**

These courses are approved for currently enrolled SU students through Summer 2012.

Notes:

1. **Advanced approval is required for any transfer work taken in the last 32 hours toward an SU degree, and exceptions have several constraints – see the graduation requirements list, item #6, p.20, 2010-11 Catalog.**
2. Transfer course work must be reported by official transcript mailed to the Registrar's Office.
3. Upper-level course equivalents will be changed to lower-level coursework at SU if taken from a two-year institution or if lower-level at four-year institution. ☺
4. Courses not included on this list must be approved by the Assistant Registrar or appropriate department chair.
5. Students must receive a C- or higher for the course credit to transfer.
6. The number of credits that transfer is equivalent to the number of credits earned.
7. Approval of these courses is not a guarantee of meeting degree plan requirements.
