

# Southwestern University Readmission Application

---

## To the Applicant

This application must be completed by any student who previously attended Southwestern for at least one regular semester or who has withdrawn during a prior semester. Students who have been on an official leave of absence for no more than two consecutive semesters do not need to complete this application. Students will be readmitted on a first-come, first-served basis. Enrollment limits preclude admission of all applicants. Candidates for readmission will be reviewed in the Admission Office and, when necessary, with other administrative offices to be sure each student returning is ready to successfully complete a Southwestern degree. Personal interviews will be required in some cases. Please return this form and official transcripts from all colleges or universities attended since leaving to: Office of Admission, Southwestern University, P.O. Box 770, Georgetown, Texas, 78627-0770.
