

"The Perfect Game" is an extraordinary story about an extraordinary man. Set in Germany, Spain, the South of France, and Turkey, "The Perfect Game" is plotted like noir crime fiction but without police, without punishment, without remorse. The Perfect Game is about how to get the money from wherever it may be to its new home in one's own pocket.

A Reading by Herbert Genzmer The Perfect Game (Das perfekte Spiel)

Prothro Room, 1st floor at the Library

There will be snacks and drinks at the café downstairs after the reading.

"At times he closed his eyes and slowly breathed in the cool night air and was flooded with a sensation of joy and satisfaction, bordering on happiness. For what he dreamt was the dream of unrestrained freedom, his dream. It had come true; the whole world was wide open to him."

Berlin University Press

The *Neue Züricher Zeitung* called Genzmer: "… the most American of German writers."
