TAKE THE LEADERS' PLEDGE

I PLEDGE.....to the members of my group...

- 1. To set the right example for them by my own actions in all things I do and say.
- 2. To be consistent in my temperament so that they know how to read me and what to expect from me
- 3. To be fair, impartial, and consistent in matters relating to work rules, discipline and rewards.
- 4. To shoe sincere, personal interest in them as individuals without becoming overly involved.
- 5. To seek their counsel on matters that affect their jobs and to be guided as much as possible by their judgment.
- 6. To allow them as much individuality as possible in the way their jobs are performed, as long as the quality of the end result is not compromised.
- 7. To make sure they always know in advance what I expect from them I the ways of conduct and performance on the job.
- 8. To be appreciative of their efforts and generous in praise of their accomplishments.
- 9. To use every opportunity to teach them how to do their jobs better and to help them advance in skill level and responsibility.
- 10. To show them that I can "do" as well as "manage" by pitching in to work beside them when my help is needed.
