

HELPFUL TIPS FOR SUPERVISOR: New Staff Employee

The following is designed to help in the hiring process for the supervisors once a candidate has been selected, accepted a position and a successful background check has been completed.

Resumes from the unselected candidates will need to be returned to the Human Resource office. They must be kept on file per our Records Retention Guidelines.

****Once HR is given a start date, that is the official date. If there is a change for any reason, please notify HR immediately. ****

HR will set up the new hire in the system (which adds them to the directory) and obtain:

- USER ID/PASSWORD
- PHONE EXTENSION
- BENEFIT SESSION (if applicable)
