The Mystical Quest to Slay Normalcy Feedback Session

Personal Goals/Growth/Transformation

How have you changed/learned/grown?

What did you hope to get out of this project? Did we achieve that? Why or why not?

Are you satisfied with the subject matter of the performance/project, with the topics that we focused on?

Group Dynamics

Did you feel safe with this group of people? Why or why not?

Were you able to collaborate effectively with this group of people? Anything you would have liked to change?

Project Organization
Were you satisfied with how this project was organized? What organizational structures might you have liked to change?

Time commitment – was it manageable? What you expected? How so? Or if not, what could be done to help?

Community Engagement
How do you feel the project was received by its audiences?

Are you satisfied with community involvement (publicity, audience size and involvement both during the show and the post show discussion)? Anything you might like to have done differently?
