

2022-2023 Independent Special Circumstances Form

Your eligibility for need-based financial aid is determined using the results from the filing of your Free Application for Federal Student Aid (FAFSA). This Special Circumstances Form may be used if you have circumstances that are not addressed through the data provided in the FAFSA or if your circumstances have changed since filing the FAFSA.

This form is for **students who are currently enrolled or readmitted students at Southwestern**. Prospective first-year or transfer students should contact the SU Financial Aid Office for information regarding the consideration of special circumstances.
