On May 11, 2021 the Department released the details regarding the availability of Emergency Financial Aid Grants provided under Section (a)(1) of the American Rescue Plan (ARP) Act. These notifications provided information for how Southwestern University could request and utilize these funds. The information provided below is in accordance with the May 13, 2021 notice regarding the requirements for reporting the activity related to the emergency funding.

1) Southwestern University signed and returned to the Department the Certification and Agreement on June 2, 2021, in which Southwestern University agreed to use no less than 50% of the funds received under Section(a)(1) of the ARP Act to provide Emergency Financial Aid Grants (a.k.a. HEERF III Grants) to students.

2) Southwestern University was notified by the Department that it will receive a total amount $1,617,561 of funds under Section (a)(1) of the ARP Act to provide Emergency Financial Aid Grants (a.k.a. HEERF III Grants) to students.

3) As of April 7, 2022, Southwestern University has distributed a total of $1,595,700 of HEERF III Grants provided under Section(a)(1) of the ARP Act to students.

4) There were an estimated total of 1511 students at Southwestern University that were eligible to receive HEERF III Grants under the ARP(a)(1) program.

5) As of April 7, 2022, a total of 1511 Southwestern University students have been awarded HEERF III Grants under the ARP(a)(1) program.

6) To determine which students may receive HEERF III Grants and the amount of the grants under the ARP(a)(1) program, Southwestern University applied the following methodology below.

   a) All students who were enrolled at Southwestern University in the Fall 2021 semester or who were participating in an approved study abroad program in the Fall of 2021 were identified.

   b) Using the students identified in section (a), three tiers of students were identified based on the student’s Estimated Family Contribution (EFC) as reported on their 2021-22 FAFSA. Students were assigned to a tier based upon their EFC, and the award amount was determined using the following criteria:

<table>
<thead>
<tr>
<th>Group</th>
<th>Criteria</th>
<th>HEERF III Award Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tier 1</td>
<td>EFC range: 0 - 5,846</td>
<td>$1,500</td>
</tr>
<tr>
<td>Tier 2</td>
<td>EFC range: 5,847 - 22,600</td>
<td>$1,100</td>
</tr>
<tr>
<td>Tier 3</td>
<td>EFC above 22,600 or FAFSA not filed</td>
<td>$800</td>
</tr>
</tbody>
</table>

Note: For Tier 1 and Tier 2, the EFC ranges that establish eligibility for a Pell Grant and a Texas Tuition Equalization Grant (TEG), respectively, were utilized to assign students to a tier. Due to restrictions on these grants such as maximum Lifetime Eligibility, number of years a student may receive these funds, fund allocation limits, and (in the case of TEG) Texas residency requirements, some students in Tier 1 and Tier 2 may not have actually received a Pell Grant or TEG in the 21-22 school year.

   c) Supplemental HEERF Grants were also made available to students. To be considered for these additional funds, students were required to submit a Special Circumstances form. The Financial Aid Office reviewed these forms and made appropriate adjustments to that student’s FAFSA data. Using the resulting EFC, award amounts were based on the following criteria:
<table>
<thead>
<tr>
<th>Group</th>
<th>Eligibility criteria</th>
<th>Award Amount per student</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tier 1</td>
<td>EFC range: 0 - 5,846</td>
<td>$2,000</td>
</tr>
<tr>
<td>Tier 2</td>
<td>EFC range: 5,847 - 22,600</td>
<td>$1,500</td>
</tr>
<tr>
<td>Tier 3</td>
<td>EFC above 22,600</td>
<td>$1,000</td>
</tr>
</tbody>
</table>

7) All Southwestern students were notified of the availability of the HEERF III Grants via an email sent to their SU email accounts. In addition, the HEERF grant announcement to the campus was posted on Southwestern University's Financial Aid Office webpage. The announcement contained guidance and instructions to students regarding HEERF Grant eligibility, how to submit their preference for receiving funds using a Payment Preference Form and, in the case of the Tier 3 students, how to submit an application for HEERF funds.

The text for the campus announcement and a sample email that was sent to students are below. In addition, a copy of the Special Circumstances Form used for Supplemental HEERF Grants is also below.

**HIGHER EDUCATION EMERGENCY RELIEF FUND (HEERF)**

Southwestern University is pleased to announce the availability of emergency grants for students from the Higher Education Emergency Relief Fund III (HEERF III). These funds have been made available through the American Rescue Plan (ARP) Act., and provides direct emergency financial aid grants to students. In total, the university was allocated $1,617,561 in HEERF III funding for direct grants to students.

Guidance from the US Department of Education indicates that these funds are intended to assist students with any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.

The guidance directed Southwestern to prioritize students with the greatest need, and develop policies that help to distribute these funds as widely as possible. In addition, the guidance indicated all students who are or were enrolled in an institution of higher education during the COVID-19 national emergency are eligible for emergency financial aid grants. This includes international students or other non-US citizens.

At Southwestern, this means that to be eligible for a HEERF III Grant a student must be enrolled (in person or online) at Southwestern in the Fall of 2021 or be participating in an approved study abroad/study away program in the Fall of 2021. New students who enroll at Southwestern in the Spring of 2022 may also be eligible, pending the availability of funding.

**What do I need to do to receive a HEERF Grant?** Students must complete a Payment Preference Form to indicate how they want their funds paid.

**How will I know how much HEERF III funding I can receive?** Students will be assigned to a tier using the Estimated Family Contribution (EFC) as determined through the 2021-22 Free Application for Federal Student Aid (FAFSA). The amounts awarded in each tier, and application requirements, are as follows:
