NPC RECRUITMENT RULES

Fall 2022- Spring 2023 Bid Day

NPC Greek Women have to follow certain rules during the Recruitment season. They are not secret, and we want to make sure we are as transparent as possible. Below are some of the recruitment rules having to do with PNM's (Potential New Members).

-“Hot boxing” is strictly prohibited. This is defined as any situation involving more than four sorority women of the same sorority and one PNM.

-No Greek Women shall give, lend, or trade anything to a PNM with the exception of events in the name of another chartered organization or a classroom setting.

-Greek Women cannot give, buy, or make available alcohol or drugs to or for a PNM. This includes providing a location for the consumption of alcohol or use of drugs. This together includes walking into a Fraternity House together or off campus party where alcohol is consumed.
