

INTRODUCTION TO CAMPUS SAFETY

Campus safety is of vital importance to the entire Southwestern University Campus. The Southwestern University Police Department encourages the community to participate in the protection of our campus. Our police officer know they cannot be effective in protecting the campus without members of the campus community being actively involved in reporting any criminal or suspicious activity. We believe a well informed community can better protect itself and aid in the prevention of crime. To encourage this, the University Police Department invites discussion of potential safety or security problems on campus.

The following information reflects the number of crimes for the last three years as required to be in compliance with the Jeanne Clery Disclosure of Campus Security Police and Crime Statistics Act.
