

Faculty Approval Form

In addition to a print copy of the honors thesis to be housed in the library, students deposit a digital version of their thesis into SU Scholar (<https://suscholar.southwestern.edu/>), Southwestern University's open access digital repository. Student work must be approved by the supervising faculty member for online publication before being added to SU Scholar.

Please grant or withhold approval below, sign, and return to Debi Flummer, Smith Library Center.

Student author's name

Title of work

Faculty advisor name

- I approve publication of this thesis in SU Scholar.
- I do not want this thesis published in SU Scholar at this time.
Library staff will follow up with you for more details.
