

SCOPE Scholar Application - Summer 2019

Please complete the following application for participation in the 2019 SCOPE Summer Research Program. Applications are due by 5pm on Friday, February 1, 2019.

Be sure to read about the program and faculty project descriptions prior to applying. These can be found at <https://www.southwestern.edu/academics/hhmi/scope-summer-research/projects-mentors/>

Contact Dr. Sarah Brackmann (brackmas@southwestern.edu, PRC 243, 512-863-1987), if you have any questions.

General Information

First Name

Last Name

SU ID Number

SU Box Number

Home - Street Address

Home – City

Home – State

Home - Zip Code

Major (1st)

Major (2nd) - if you have more than one major

Minor (1st)

Minor (2nd) - if you have more than one minor

Expected Graduation

Are you a first generation college student?

Are you of Hispanic, Latino, or Spanish origin?

What do you consider to be your race? (please check all that apply)

If other, please specify:

Student on-campus housing is provided. Students are expected to live on-campus unless they have exceptional circumstances; funds for off-campus housing is not available. Are you planning to live on-campus during the SCOPE Summer Project?

SCOPE Mentor Preferences

First Preference: faculty member with whom you would like to do research.

Second Preference: faculty member with whom you would like to do research.

Third Preference: faculty member with whom you would like to do research.

Why would you like to do research with these professors? Be sure to comment on your qualifications and whether you have taken the necessary pre-requisites to be eligible to do research with the professor(s) of your choice.

Open Response Questions

Are you applying to any other research programs this summer (e.g. NSF REU sites)? If yes, where are you applying? Do you prefer a research experience at SU or with a program other than SCOPE?

What are your academic interests and goals? (300 words max)

What are your professional interests and goals? For example, are you interested in attending professional or graduate school? If so, in what areas? (300 words max)

What does scientific inquiry mean to you? In your short essay, explain how doing research will complement your educational and professional goals. (500 words max)

If offered a SCOPE position, do you anticipate anything that would prevent you from accepting the position or being able to research full-time for the duration of the entire 8-week program?

Additional comments?

Upload Your Transcript

Please attach a recent transcript. This can be a scanned image, word document, or WebAdvisor screenshot. Your application will be considered incomplete if the image quality is not clear and easy to read.
