# Network Overview

## Dentists Who Are Participating In The DentalGuard Preferred Network

Guardian's Preferred Provider Organization consists of Dentists in the DentalGuard Preferred network. Network access varies by geographic location and zip code. With the DentalGuard Preferred (PPO) network, you can see any dentist you'd like. However, you have more opportunities to save money when you see a participating dentist in the DentalGuard Preferred network. Guardian's payment to the provider for covered services is sent directly to the DentalGuard Preferred dentist. In some cases, benefits for services rendered by a contracted provider may be paid at a higher coinsurance percentage than those by a Non-Contracted/Out of Network provider. Contracted/In Network charges are based on a discounted fee schedule amount, whereas Non-Contracted/Out of Network charges are usually based on a reasonable and customary amount. This results in savings for the member when visiting a contracted dentist. Guardian's payment to the provider for covered services are sent directly to the participating provider. You are responsible for:

- any deductibles
- any co-payments
- services that are not covered by Guardian
- services denied due to the frequency or contract limitations
- cosmetic upgrades

**Note:** The dentist may bill at the time of service for any deductible, co-payment, and/or non-covered service(s).

## Dentists Who Are Not Participating In The DentalGuard Preferred Network

Services performed by a dentist not contracted in the DentalGuard Preferred network are usually paid at a lower, out-of-network coinsurance rate, which may increase your financial responsibility. If a dental specialist is needed and one is not available in the DentalGuard Preferred network, benefits are usually paid at the out-of-network benefit rate, regardless of a referral from a participating dentist.

## For Members Who Have A Tiered Benefit Plan

The DentalGuard Preferred network consists of provider tiers listed based on discounts your Dentist has agreed to accept for services covered under your Dental Plan.

- DentalGuard Preferred Alliance/Platinum
- DentalGuard Preferred Elite/Gold
- DentalGuard Preferred Connect/Silver

You will always save money with any dentist in Guardian's DentalGuard Preferred network but will save the most by choosing a dentist in the Alliance/Platinum or Elite/Gold provider tier.

Your Dentist's provider tier is shown in the provider details in this printed directory and online. Please visit [guardiananytime.com/fpapp/FPWeb](http://guardiananytime.com/fpapp/FPWeb) to confirm your Dentist's tiered participation.

For more information regarding DentalGuard Preferred provider tiers, please consult your plan documents or contact a Customer Service Representative at the number on your ID card.

## How To Report Inaccurate Provider Information

We strive to maintain an accurate and up-to-date provider directory, however, we would appreciate you reporting any incorrect or outdated information for a specific provider. Please contact Member Services at the number found in the header of this directory or send an email to [guardiannetworkadmin@glic.com](mailto:guardiannetworkadmin@glic.com).

The information contained in this provider directory is obtained directly from participating providers and reflects the most current information verified for each network plan as of the date of printing. Please consult the online provider directory at [guardianlife.com](http://guardianlife.com) or contact a customer service representative at the telephone number provided on our website to obtain more current provider directory information.

## Criteria Used To Build Provider Network

All network dental plans offered by Guardian and its subsidiaries incorporate rigorous provider accessibility and availability standards in compliance with state and federal requirements. We utilize information such as geographic distance, travel time, appointment wait time, and provider-to-member ratio reports to ensure that our network of participating providers meets the dental care needs of our members. Our nationwide provider recruitment team solicits network participation from new providers annually, and issues special solicitation mailings to providers nominated by our members. New participating providers are subject to a thorough credentialing process to ensure appropriate education, Board certification, consistent quality of care in their practices, and compliance with applicable laws and regulations. Participating providers are also recertified every three (3) years or more frequently if required by state law. In the event of a dental emergency, members may contact a customer service representative to be directed to an appropriate provider who can deliver the care needed as soon as possible. We are committed to maintaining a robust provider network for each of our dental plans, and we welcome input from our members regarding any access to care or quality of care concerns.

Network access and out of pocket expenses can vary by contract, plan design and location. To make the best choice for you, please refer to your benefit booklet to determine your contract type, plan coverage and network options.

# DentalGuard Preferred Dentist Nomination Form

I would like to nominate my dentist for inclusion in the DentalGuard Preferred Provider Network. I understand that DentalGuard Preferred/Guardian retains final authority for approving membership in the network. I also understand that DentalGuard Preferred/ Guardian may use my name when contacting my dentist and inform them of my desire for them to join the network. You can also nominate online at [guardiananytime.com](http://guardiananytime.com)

**Note:** This form does not serve as an enrollment form for dental coverage or to register with the dental office as a patient.
