No. This is a competitive scholarship and the recipients will be selected from the pool of applicants for the scholarship.

How are the recipients selected?

Applications are solicited through announcements to the Southwestern Community. Scholarship candidates will identify themselves by completing a scholarship application, which must be submitted to the Financial Aid Office by May 1, 2020. Applications are reviewed by the Financial Aid Office. Among the eligible applicants, preference is given to members who demonstrate the highest levels of student leadership and civic engagement in the University community. All applicants will be notified of their final status in writing by June 1, 2020.

What are the amounts of the scholarships and how many are available?

The number and amount of awards will be influenced by the number and quality of applications received. The Financial Aid Office will determine who will receive the scholarships, and in what amounts.

What is the duration of the scholarship?

The Earl Moseley Scholarship is awarded annually and is good for one year. The scholarships must be used during the regular academic year. The scholarships may not be used for summer school or for any type of program where SU funds may not be used, such as non-SU study abroad programs or the GLCA New York Semester.

Is the scholarship renewable?

The Earl Moseley Scholarship is awarded for one year only and is not renewable. However, recipients may re-apply each year to be considered along with all other applicants for that year.
