

How to Log onto Weave

# weaveeducation.com

A screenshot of the Weave login page. The page features the Weave logo at the top left. Below the logo is the text 'Improvement, Simplified.' and a paragraph describing the mission: 'Our mission is to improve student learning through assessment and we do this by providing software solutions and expertise for institutional and programmatic effectiveness.' The login form consists of two input fields: 'USERNAME' with the value 'hoepneh' and 'PASSWORD' with masked characters. A 'SHOW' button is next to the password field. Below the fields is a 'Log In' button. At the bottom, there is a link: 'Access Weave using your institution's sign-on'.

Your account must be activated by a Weave administrator before you can log-in.

Once your account is activate by an admin you will receive an email with instructions on how to create a username and password.

If you forget your username or password you can either use the built-in recovery options or contact a weave admin to reset your information.

For assistance contact one of your Weave admins:
