Once you have completed the set-up process, the authorized individual will be sent an email with their ID, temporary password, and the necessary link to access your account. Authorized users will only have access to see E-bills, to see account balance and payment history, to make payments on the account, and to set up their own email and text notifications. They do not have access to financial aid, grades, or other online student information.

Wire Transfers via Western Union Business Services

Those wishing to make payments to the student account via wire transfer or international electronic transfer should do so using Western Union Business Solutions GlobalPay for Student. This program offers a simple electronic payment mechanism that is secure, fast, and available in the student's local currency.

To pay your tuition and fees by wire, select the following link: Southwestern University Domestic and International Wire Transfers.

The above link is only for Wire Transfers. All other payments should be done by selecting the Student Account Information link below.
