Brief Description of Organization (mission/purpose, types of clients served, services provided):

Georgetown child and family counseling provides high quality counseling services to the residents of Williamson county. They engage the community and work toward ending mental health stigmas and ensuring that individuals are empowered to seek the mental health care that they need.

Intern Duties & Responsibilities (list):

- Attend regular clinic meetings in order to consult with and learn from colleagues.
- Study assigned material to gain knowledge regarding clinical work and current theories.
- Community outreach, especially reaching out to schools and school counselors to aid their work and assist in sharing resources.
- Clinic promotion in order to reach further into the community and raise awareness for mental health resources available to individuals in the community.

Benefits Obtained:

One Sentence Capture of the Internship (My internship experience...):
