Southwestern University
Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA) /HEERF II Grant Report
July 8, 2021

On January 14, 2021 the US Department of Education released the details regarding the availability of Emergency Financial Aid Grants provided under Section(a)(1) of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA). The information provided below is in accordance with the May 13, 2021 notice regarding the requirements for reporting the activity related to the emergency funding.

1) Southwestern University signed and returned to the Department the Certification and Agreement on April 11, 2020, in which Southwestern University agreed to use no less than 50% of the funds received under Section(a)(1) of the CRRSAA Act to provide Emergency Financial Aid Grants (a.k.a. HEERF II Grants) to students. Southwestern University was notified by the Department that it will receive a total amount of $606,725 of funds under Section(a)(1) of the CRRSAA Act.

2) As of July 8, 2021, Southwestern University has distributed a total of $606,725 of HEERF II Grant funds provided under Section(a)(1) of the CRRSAA Act to students.

3) There were an estimated total of 1440 students at Southwestern University that were eligible to receive HEERF II Grants under the CRRSAA (a)(1) program.

4) As of July 8, 2021, a total of 936 Southwestern University students have been awarded HEERF II Grants under the CRRSAA (a)(1) program.

5) To determine which students may receive HEERF II Grants and the amount of the grants under the CRRSAA (a)(1) program, Southwestern University applied the following methodology below.

   a) All students who were enrolled at Southwestern University in the Spring 2021 semester or who were participating in an approved study abroad program in the Spring of 2021 were identified. Students who were not US Citizens or eligible non-citizens were excluded.

   b) Using the students identified in section (a), three tiers of students were identified based on the student’s Estimated Family Contribution (EFC) as reported on their 2020-21 FAFSA. Students were assigned to a tier based upon their EFC, and the award amount was determined using the following criteria:

<table>
<thead>
<tr>
<th>Group</th>
<th>Criteria</th>
<th>Award Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tier 1</td>
<td>EFC range: 0 - 5711</td>
<td>$1,000</td>
</tr>
<tr>
<td>Tier 2</td>
<td>EFC range: 5712 - 22174</td>
<td>$750</td>
</tr>
<tr>
<td>Tier 3</td>
<td>EFC above 22174 or FAFSA not filed</td>
<td>Variable amounts based upon information provided in an application, number of applicants, and available funds. Individual awards will not exceed $750</td>
</tr>
</tbody>
</table>

Note: For Tier 1 and Tier 2, the EFC ranges that establish eligibility for a Pell Grant and a Texas Tuition Equalization Grant (TEG), respectively, were utilized to assign students to a tier. Due to restrictions on these grants such as maximum Lifetime Eligibility, number of years a student may receive these funds, fund allocation limits, and (in the case of TEG) Texas residency requirements, some students in Tier 1 and Tier 2 may not have actually received a Pell Grant or TEG in the 20-21 school year.

   c) US Citizenship and eligible noncitizen status was confirmed for Tier 1 and Tier 2 students using the available FAFSA information and student records. After confirming citizenship status, HEERF II grants were automatically awarded to the Tier 1 and Tier 2 students with no action required from the recipients.
d) For Tier 3 students, awards were available via an online application, with a March 19, 2021 deadline for application submission. Applications were reviewed after the June 3 deadline and US Citizenship or eligible non-citizen status was confirmed. Individual award amounts, up to a maximum amount of $750, were determined using information collected on the application.

6) All Southwestern students were notified of the availability of the HEERF II Grants via an email sent to their SU email accounts. In addition, the HEERF II grant announcement to the campus was posted on Southwestern University’s Financial Aid Office webpage. The announcement contained guidance and instructions to students regarding HEERF Grant eligibility, how to submit their preference for receiving funds using a Payment Preference Form and, in the case of the Tier 3 students, how to submit an application for HEERF II funds.

The links to the announcement and sample emails are below.
Southwestern University is pleased to announce the availability of emergency grants for students from the Higher Education Emergency Relief Fund (HEERF). These funds have been made available through the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act., and provides direct emergency financial aid grants to students. In total, the university was allocated $606,725 in HEERF funding for direct assistance to students.

Guidance from the US Department of Education indicates that these funds are intended to assist students with any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care. The guidance directed Southwestern to prioritize students with the greatest need, and develop policies that help to distribute these funds as widely as possible.

At Southwestern, this means that to be eligible for a HEERF II Grant a student must:

● be enrolled (in person or online) at Southwestern in the Spring of 2021 or have been participating in an approved study abroad/study away program in the Spring of 2021
● be a US Citizen, US Permanent Resident or eligible noncitizen.

What if a student does not meet the citizenship requirements? Students who do not meet citizenship requirements above (such as international students or ineligible noncitizens) but who have emergency funding needs may still submit a HEERF application to be considered for emergency grant funding from the Southwestern Emergency Fund.

What do I need to do to receive a HEERF Grant? Many students will receive a HEERF Grant without needing to complete an application, but will be required to complete a Payment Preference Form to indicate how they want their funds paid. Some students will need to submit an application to be considered for a HEERF Grant. The chart below will help a student determine what action is required for their HEERF Grant.

Students will be assigned to a tier using the Estimated Family Contribution (EFC) as determined through the 2020-21 Free Application for Federal Student Aid (FAFSA). The amounts awarded in each tier, and application requirements, are as follows:

<table>
<thead>
<tr>
<th>Group</th>

<td>Tier 1</td>
<td>EFC range: 0 - 5,711</td>

</tr>
<tr>
<td>Tier 2</td>
<td>EFC range: 5,712 - 22,174</td>
<td>$750</td>
<td>Complete a Payment Preference Form</td>
</tr>
</tbody>
</table>
**Tier 3**  
EFC above 22,174 or FAFSA not filed  
Variable amounts, not to exceed $750. The actual amount a student receives will be based upon information provided through an application, the number of applicants, and the available funds.  
Apply for funds using the [SU HEERF II Grant Application](#). Application period is from 3/4/21 through 3/26/21.

### How can I confirm which tier that I am assigned to?

On March 4, 2021 students will be notified of their tier assignment via their SU email account.

For Tier 1 and 2 students, the notification will include the amount they will receive. Instructions for completing the Payment Preference Form will be included.

Tier 3 students will be provided with a link to the application. The application will be open from March 4 - 26, 2021.

### What are the options for receiving funds?

HEERF II Grants may be applied to student accounts with written permission from the student or the student may choose to have their funds sent directly to the same bank account where their student account refunds are sent. Therefore, students must indicate their choice using the Payment Preference Form.

Students may select from the following options:

1. Apply the total award to the SU student account
2. Apply a portion of the award to pay off the SU student account balance and send the remaining amount via echeck using the student account refund direct deposit information on file.
3. Send the total award amount via echeck using the student account refund direct deposit information on file.

### When and how will I receive my funds?

**Tier 1 and 2 students:** The HEERF Grant notification email will contain a link to the Payment Preference Form that must be completed before payment can be made. Payment Preference Forms that are submitted by March 8, 2021 will have grant payments released on March 12, 2021 in accordance with the student’s direction on the Payment Preference Form. Future disbursements will be made on Wednesdays and Fridays of each week as Payment Preference Forms are received and direct deposit information is set up. Funds will be disbursed via direct deposit or paper check no later than April 2, 2021. Students who have not yet set up direct deposit should do so as soon as possible.

Frequently Asked Questions:

What are the HEERF grants for students?

As part of the response to the global COVID-19 pandemic, the US government approved the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act in December of 2020. The CRRSA established another round of Higher Education Emergency Relief Funds (HEERF II) to provide funding to universities for emergency financial aid grants directly to students. A total of $606,725 was allocated to Southwestern University to provide direct grants to SU students. The purpose of these grants is to assist students with any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.

Which students are eligible to receive HEERF II grants?

To be eligible to receive a HEERF II grant SU students must meet the following criteria:

- Must be enrolled (in person or online) at Southwestern University in the Spring 2021 semester OR enrolled in an approved study abroad/study away program for the Spring 2021 semester.
- be a US Citizen, US Permanent Resident or eligible noncitizen.

What if I am an international student or do not meet the citizenship criteria?

Students who do not meet citizenship requirements above (such as international students or ineligible noncitizens) but who have emergency funding needs may still submit a HEERF II Grant Application to be considered for emergency grant funding from the Southwestern Emergency Fund.

How will SU award the HEERF II funds?

Based on guidance from the US Department of Education, Southwestern’s award process prioritizes students with the greatest need, while at the same time establishing a maximum funding threshold for each student to ensure that the funds are distributed as widely as possible. In accordance, SU will determine eligibility for HEERF II funds using a student Estimated Family Contribution (EFC) levels calculated from the 2020-21 Free Application for Federal Student Aid (FAFSA). The chart below provides the EFC ranges that SU will use to determine a student’s assigned tier, and therefore the amount that will be awarded.

Funds will be awarded directly to Tier 1 and 2 students as they have already filed a FAFSA and meet eligibility criteria as noted below. All other students are eligible to complete an application process to be considered for a Tier 3 award.
